Civil Nuclear Trade Advisory Committee: Meeting of the Civil Nuclear Trade Advisory Committee

AGENCY: International Trade Administration, U.S. Department of Commerce.

ACTION: Notice of Federal Advisory Committee Meeting.

SUMMARY: This notice sets forth the schedule and proposed agenda for a meeting of the Civil Nuclear Trade Advisory Committee (CINTAC).

DATES: The meeting is scheduled for Wednesday, December 21, 2016, from 10:30 a.m. to 11:30 a.m. Eastern Standard Time (EST). The deadline for members of the public to register, including requests to make comments during the meeting and for auxiliary aids, or to submit written comments for dissemination prior to the meeting, is 5:00 p.m. EST on December 16, 2016.

ADDRESSES: The meeting will be held via conference call. The call-in number and passcode will be provided by email to registrants. Requests to register (including to speak or for auxiliary aids) and any written comments should be submitted to: Mr. Jonathan Chesebro, Office of Energy & Environmental Industries, International Trade Administration, Room 20010, 1401 Constitution Ave. NW., Washington, DC 20230. (Fax: 202-482-5665; email: jonathan.chesebro@trade.gov). Members of the public are encouraged to submit registration requests and written comments via email to ensure timely receipt.

FOR FURTHER INFORMATION CONTACT: Mr. Jonathan Chesebro, Office of Energy & Environmental Industries, International Trade Administration, Room 20010, 1401 Constitution Ave. NW., Washington, DC 20230. (Phone: 202-482-1297; Fax: 202-482-5665; email: jonathan.chesebro@trade.gov).

SUPPLEMENTARY INFORMATION:

Background: The CINTAC was established under the discretionary authority of the Secretary of Commerce and in accordance with the Federal

Advisory Committee Act (5 U.S.C. App.), in response to an identified need for consensus advice from U.S. industry to the U.S. Government regarding the development and administration of programs to expand United States exports of civil nuclear goods and services in accordance with applicable U.S. laws and regulations, including advice on how U.S. civil nuclear goods and services export policies, programs, and activities will affect the U.S. civil nuclear industry's competitiveness and ability to participate in the international market.

Topics to be considered: The agenda for the Wednesday, December 21, 2016 CINTAC meeting is as follows: Administrative meeting of the newly re-chartered Committee.

Public attendance is limited and available on a first-come, first-served basis. Members of the public wishing to attend the meeting must notify Mr. Jonathan Chesebro at the contact information above by 5:00 p.m. EST on Friday, December 16, 2016 in order to pre-register. Please specify any requests for reasonable accommodation at least five business days in advance of the meeting. Last minute requests will be accepted, but may not be possible to fill.

A limited amount of time will be available for pertinent brief oral comments from members of the public attending the meeting. To accommodate as many speakers as possible, the time for public comments will be limited to two (2) minutes per person, with a total public comment period of 30 minutes. Individuals wishing to reserve speaking time during the meeting must contact Mr. Chesebro and submit a brief statement of the general nature of the comments and the name and address of the proposed participant 5:00 p.m. EST on Friday, December 16, 2016. If the number of registrants requesting to make statements is greater than can be reasonably accommodated during the meeting, ITA may conduct a lottery to determine the speakers.

Any member of the public may submit pertinent written comments concerning the CINTAC's affairs at any time before and after the meeting. Comments may be submitted to the Civil Nuclear Trade Advisory Committee, Office of Energy & Environmental Industries, Room 20010, 1401 Constitution Ave. NW., Washington, DC 20230. For consideration during the meeting, and to ensure transmission to the Committee prior to the meeting, comments must be received no later than 5:00 p.m. EST on Friday, December 16, 2016. Comments received after that date will be

distributed to the members but may not be considered at the meeting.

Copies of CINTAC meeting minutes will be available within 90 days of the meeting.

Dated: December 5, 2016.

Man Cho,

Deputy Director, Office of Energy and Environmental Industries.

Application(s) for Duty-Free Entry of Scientific Instruments

Pursuant to Section 6(c) of the Educational, Scientific and Cultural Materials Importation Act of 1966 (Pub. L. 89-651, as amended by Pub. L. 106-36; 80 Stat. 897; 15 CFR part 301), we invite comments on the question of whether instruments of equivalent scientific value, for the purposes for which the instruments shown below are intended to be used, are being manufactured in the United States.

Comments must comply with 15 CFR 301.5(a)(3) and (4) of the regulations and be postmarked on or before January 3, 2017. Address written comments to Statutory Import Programs Staff, Room 3720, U.S. Department of Commerce, Washington, DC 20230. Applications may be examined between 8:30 a.m. and 5:00 p.m. at the U.S. Department of Commerce in Room 3720.

Docket Number: 16-017. Applicant: California Institute of Technology, 1200 E. California Blvd., Pasadena, CA 91125. Instrument: Photonic Professional GT 3D laser Lithography System. Manufacturer: Nanoscribe GmbH, Germany. Intended Use: The instrument will be used to develop structural metamaterials that are mechanically robust and multi-functional. The instrument allows the fabrication of 3-dimensional architectures out of polymer, with dimensions on the order of nanometers. There is no other instrument capable of resolving features down to that size because to attain such resolution it is necessary to have the two-photon laser capability. Justification for Duty-Free Entry: There are no instruments of the same general category manufactured in the United States. Application accepted by Commissioner of Customs: October 28, 2016.

Docket Number: 16-018. Applicant: UChicago Argonne, 9700 S. Cass Avenue, Lemont, IL 60439. Instrument: Electron Microscope. Manufacturer: FEI Company, Czech Republic. Intended

Use: The instrument will be used for research including studies of the morphology, grain structure and defect structure in modern structural materials. Justification for Duty-Free Entry: There are no instruments of the same general category manufactured in the United States. Application accepted by Commissioner of Customs: October 31, 2016.

Docket Number: 16–019. Applicant: University of Nebraska—Lincoln, 1700 Y St., Lincoln, NE 68588. Instrument: Electron Microscope. Manufacturer: Elmitec, Germany. Intended Use: The instrument will be used to research the synthesis and properties of novel nanomaterials, using the interaction of an electron beam with the surface of materials to image the surface with very high (nanometer scale) resolution, independent of temperature (in the range from ~–100 C to well over 1000 C) and in the presence of different gases and vapors. Justification for Duty-Free Entry: There are no instruments of the same general category manufactured in the United States. Application accepted by Commissioner of Customs: November 4, 2016.

Docket Number: 16–020. Applicant: Lafayette College, 730 High Street, Easton, PA 18042. Instrument: High Power Q-Switched Diode-Pumped Solid State Laser. Manufacturer: EdgeWave GMBH, Germany. Intended Use: The instrument will be used to study time-dependent finite chemical rate and mixing effects in turbulent combustion and the investigation of coherent structures in turbulent boundary layers. The instrument is approximately 10 times more powerful than any other high-repetition diode-pumped solid state available from a U.S. manufacturer. Techniques to be performed include Planar Laser Induced Fluorescence imaging, exploiting the high-repetition rate and tenability features of the instrument. Justification for Duty-Free Entry: There are no instruments of the same general category manufactured in the United States. Application accepted by Commissioner of Customs: November 4, 2016.

Docket Number: 16–022. Applicant: Regents of the University of Colorado, 1800 Grant St., Denver, CO 80203. Instrument: Electron Microscope. Manufacturer: FEI Company, Brno Czech Republic. Intended Use: The instrument will be used to research the structural basis for macromolecular function in both healthy and diseased cells. Justification for Duty-Free Entry: There are no instruments of the same general category manufactured in the United States. Application accepted by

Commissioner of Customs: November 4, 2016.

Dated: December 5, 2016.

Gregory W. Campbell,

Director of Subsidies Enforcement, Enforcement and Compliance.

Seamless Refined Copper Pipe and Tube From Mexico: Preliminary Results of Antidumping Duty Administrative Review and Preliminary Determination of No Shipments; 2014–2015

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on seamless refined copper pipe and tube from Mexico. The review covers three producers/exporters of the subject merchandise, GD Affiliates S. de R.L. de C.V. (Golden Dragon), Nacional de Cobre, S.A. de C.V. (Nacobre), and IUSA, S.A. de C.V. (IUSA). The period of review (POR) is November 1, 2014, through October 31, 2015. We have preliminarily found that sales of subject merchandise have been made at prices below normal value. Interested parties are invited to comment on these preliminary results.

DATES: Effective December 12, 2016.

FOR FURTHER INFORMATION CONTACT: Dennis McClure or George Ayache, AD/CVD Operations, Office VIII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482–5973 or (202) 482–2623, respectively.

SUPPLEMENTARY INFORMATION:

Scope of the Order

The merchandise subject to the *Order*¹ is seamless refined copper pipe and tube. The product is currently classified under the Harmonized Tariff Schedule of the United States (HTSUS) subheadings 7411.10.1030 and

7411.10.1090, and also may enter under HTSUS subheadings 7407.10.1500, 7419.99.5050, 8415.90.8065, and 8415.90.8085. The HTSUS subheadings are provided for convenience and customs purposes only; the written product description of the scope of the *Order* is dispositive.²

Methodology

The Department is conducting this review in accordance with section 751(a)(2) of the Tariff Act of 1930, as amended (the Act). Constructed export price is calculated in accordance with section 772 of the Act. Normal value is calculated in accordance with section 773 of the Act.

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov> and it is available to all parties in the Central Records Unit, room B0824 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/index.html>. The signed Preliminary Decision Memorandum and the electronic version of the Preliminary Decision Memorandum are identical in content. A list of the topics discussed in the Preliminary Decision Memorandum is attached as the Appendix to this notice.

Preliminary Determination of No Shipments

Among the companies under review, IUSA properly filed a statement reporting that it made no shipments of subject merchandise to the United States during the POR.³ Because U.S. Customs and Border Protection (CBP) did not provide any information contradicting IUSA's claim to have made no shipments, the Department

² See Memorandum from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Paul Piquado, Assistant Secretary for Enforcement and Compliance, entitled "Seamless Refined Copper Pipe and Tube from Mexico: Decision Memorandum for Preliminary Results of Antidumping Duty Administrative Review; 2014–2015," dated concurrently with and hereby adopted by this notice (Preliminary Decision Memorandum), for a complete description of the Scope of the Order.

³ For a full explanation of the Department's analysis, see the Preliminary Decision Memorandum.

¹ See *Seamless Refined Copper Pipe and Tube from Mexico and the People's Republic of China: Antidumping Duty Orders and Amended Final Determination of Sales at Less Than Fair Value from Mexico*, 75 FR 71070 (November 22, 2010) (the *Order*).
